Time-To-Own: eligibility checklist

CHFA's Time-To-Own puts up to **$25,000** toward your down payment as a **0% loan, forgiven 10% a year**. Tick every box below before you talk to a lender.

HOW MUCH

$25,000

at or below 80% of area median income (AMI)

$18,750

between 80% and 100% of AMI. Above 100%: not eligible.

HOW IT'S REPAID

- [ ] 0% interest, no monthly payment
- [ ] 10% forgiven on each closing anniversary
- [ ] $0 owed after 10 years
- [ ] The unforgiven balance is due if you sell, refinance the first mortgage, or stop living there before year 10

YOU QUALIFY IF ALL OF THESE ARE TRUE

- [ ] No home owned as your primary residence in the last 3 years, *or* you're buying in a CHFA targeted area
- [ ] You live in Connecticut and have for the last 3 years
- [ ] You won't own any other residential property when you close
- [ ] Household income is at or under the limit for your region and household size (every borrower's income counts)
- [ ] You're using a CHFA first mortgage through a participating lender
- [ ] You'll finish a homebuyer education class before closing

YOUR NEXT 5 STEPS

1. Look up your region's income limit on chfa.org
2. Check if your target home is in a targeted area (census tract lookup at ffiec.gov)
3. Get pre-approved with a CHFA participating lender
4. Sign up for the homebuyer education class
5. Have your lender reserve the funds once you're under contract

GOOD TO KNOW

- [ ] CHFA has no minimum credit score of its own; your first-mortgage type sets it (FHA is 580 for 3.5% down)
- [ ] Funding is limited. The program closes when reservations run out, so start early
- [ ] Income limits for 1 to 2 people ranged from $110,000 to $148,900 by region (May 2026)

Terms summarized from CHFA's Time-To-Own program as of May 2026. Programs change; confirm current terms, limits and funding with CHFA or a participating lender before you rely on them. I'm a Realtor, not a lender, and this is not a loan offer or commitment.
